

ENTER A PERSONAL CHALLENGE WITH

Considering a sponsored personal challenge for BHGS?

Whether it is a sponsored walk/silence, a triathlon, abseiling down a building, a colour run or cycling from Land's End to John O'Groats, there are many ways to challenge yourself while raising funds for our new building. We have now made it easier for you with Bishop's Hatfield Girls' School's very own charity BT MyDonate site.

Similar to JustGiving but without the commission fees (*), you can set up a personalised fundraising page specific to your challenge, which anyone can visit to make direct donations securely. Just send the link to your family, friends and the larger community, and see the sponsorship donations flowing in without the administration hassle. Take a look...
