All exams will be held in the Sports Hall and will follow the usual pattern. In particular:

- * girls will line up at **the front half of the Sports Hall** in teaching-group order, according to the published plan, which will be on display;
- * the lining up times will be 8:55am, 10:55am and 1:20pm - registration will be as normal with a prompt dismissal;
- * girls will bring books with them and each session will start with some revision time;
- * girls will be dismissed at the end of periods 2, 4 or 6.

In addition we will be following some public exam rules so that you get practice in taking exams:

- * you must write in black ink. If you don't have a black pen buy one - and a spare. Bring specialist equipment eg Maths equipment;
- * your pencil case must be see through. If it isn't you can use a clear plastic bag;
- * drinking water is encouraged but the water must be in a clear plastic bottle with a sports top and label removed;
- * the school rule about not leaving a lesson to go to the toilet is strictly enforced unless there is a good medical reason otherwise;
- * taking an exam in the Sports Hall requires you to be in silence and to face the front once you are seated.

Girls who miss an exam may have to catch up after school - your teacher will decide.
