

9th November 2017

Year 11 Mock Examinations

Dear Parents/Carers,

The mock examinations for Year 11 will start on Wednesday 6th December and will finish on Wednesday 20th December 2017.

When not in exams, girls are required to attend normal timetabled lessons where they will be able to revise as appropriate. We will be closely monitoring them during this time to observe their revision strategy; their attendance and conduct, in combination with their mock results, will help us decide how much study leave we need to give them during the real examination period in May/June. It is therefore very important that they attend every day, equipped with revision materials and settle to their studies quickly when not in an exam. Please note that many exams will finish after 3:00, and that they may run over, especially if your daughter is entitled to extra time.

I enclose an examination timetable so that you will know when your daughter has her examinations. I cannot emphasise enough how important it is that your daughter shows commitment to achieving the best grades possible during these exams as her results may determine tiers of entry for some subjects. A copy of the examination regulations is also enclosed for your information. This information can also be viewed on the school's website.

Yours sincerely,

Mr H. Pandya

Head of School for Key Stage 4
