October 2019

Dear Parents / Carers,

I am delighted to be able to offer the Duke of Edinburgh's Award Scheme to girls who are in Year 9.

This is an excellent nationally recognised scheme run in schools and youth groups and offers participants the opportunity to develop their skills and interests whilst working towards an award recognised by universities and employers. I would recommend that you read more about the scheme at [www.DofE.org](http://www.DofE.org)

Students working towards the Bronze Award must complete 4 sections:

- volunteering in your local community (eg, helping with a brownie or cub pack, volunteering in a school club for younger girls, assisting with a club or activity where other people are helped or benefit)
- skills – following a hobby or interest and developing the skill over time (this cannot be a sport based skill)
- physical activity – participation in a sporting activity
- two local expeditions – which will take place in Spring 2019.

The first three must be undertaken for at least 3 months, and one of them must be completed for 6 months. The girls need to be able to commit to a variety of clubs and activities, which can be both inside and outside school. Many of the enrichment clubs offered at Bishops can help your daughter qualify for the award.

The Award itself costs £150 to participate in. The main costs come from fees, a walking training day and the expedition (training requirements, camp site fees, equipment hire, first aid equipment etc). There will be other equipment that must be provided individually, such as walking boots, a rucksack, a sleeping bag and sleeping mat, waterproofs etc). If your daughter is in receipt of free school meals some of your costs will be met by the school. The amount of financial support will be confirmed by the Finance Manager. For families not in receipt of free school meals but experiencing financial difficulties, please contact the Headteachers as some assistance may be given on a case by case basis.

We require a non-refundable payment of £75 on registration, followed by one further payment of £75 in May 2019.

Your daughter will be fully supported by a team of staff at school, but successful participation in the Award also rests on the support of parents. You would need to support your daughter in arranging her volunteering in the community, and helping her to choose activities that will fulfil the other sections, either from within or outside school, and then supporting her whilst she works on these. We run the expedition section as a school.

I believe that the Duke of Edinburgh's Award offers a great opportunity for determined students, who are prepared to fully commit to the requirements. If we oversubscribed with applications we will draw names from a hat. If your daughter is allocated a place we will contact you with the necessary registration documentation and a request for the initial payment, but this may take a few weeks so please be patient.

If your daughter would like to participate in the award and you are happy to fully support her, please email me to express an interest, clearly stating your daughter's name and form. You should do this using the address: [vlangston@bishophatfield.herts.sch.uk](mailto:vlangston@bishophatfield.herts.sch.uk).

The closing date for the receipt of emails is Monday 5<sup>th</sup> November 2018.

Yours sincerely,

Mrs V Langston  
DofE co-ordinator
