

November 2018

Dear Parent/Carer,

Welwyn & Hatfield 14-19 Consortium

Your son/daughter may be considering following a subject that is not taught on their home site. So he/she can make an informed decision about such courses, we are hosting an additional Consortium Subject Information Evening on **Thursday 15th November at Bishop's Hatfield Girls' School between 6:30pm – 8:00pm.**

A member of staff will be representing each consortium subject and will be available to be spoken to throughout the evening. The evening will finish promptly at 8:00pm so please ensure you arrive by 7:30pm to allow enough time to speak to the subject representatives.

We hope that you will accompany the students and be fully involved in the 'Moving on' process into Post-16 learning.

In addition to subject teachers, Heads of Sixth Form for each school will be present.

Please allow adequate time for parking as spaces on site are limited. If you have particular access requirements, please inform your son/daughter's Head of Sixth Form to enable us to make appropriate arrangements.

Yours sincerely,

Mrs E James
Head of Sixth Form
Bishop's Hatfield Girls' School
