Dear Parents/Carers

EXAM CONTINGENCY DAY

You will be aware that our Year 11 and Year 13 students have now received the first copy of their Examination Timetable. This copy is to check that all exams have been entered correctly for each individual student.

Students will receive a further Examinations Timetable in due course showing rooms and seating arrangements. Any clashes that have occurred will also be resolved.

The public examinations are scheduled to finish by Thursday 20th June, although most students will finish slightly before this, depending on their individual timetable.

It is important to note however that the exam boards have set a contingency day of **Wednesday 26th June**. Should there be any reason preventing examinations nationally from going ahead on the scheduled days, this is the date that will be used. Therefore, it is important that each student notes this date regardless of when their exams finish to ensure that they are available for the whole day on 26th June.

Thank you for your help in this matter.

Yours sincerely

Ms C Dalziel and Mr H Pandya
