February 2019

Dear Parents/Carers,

We have been using Go 4 Schools, mainly to record assessments and reports, since September 2017. We feel this is working successfully and allows staff and parents/carers to see pupils' progress in real time.

During this academic year we have been trialling the Behaviour Module of Go 4 Schools where members of staff can issue/remove House Points for both positive and negative behaviour. This has worked well and we are very pleased that the figures show that the positive behaviour in our school far outweighs the negative.

From after half term we are going to start using the extension to the Behaviour Module to record detentions. This will mean that whenever a pupil receives a detention the details will be recorded in Go 4 Schools and an email sent to parents/carers to inform them.

Pupils have been given instructions on how to log in so they are able to view their own behaviour (both positive and negative), detentions and progress data held in Go 4 Schools.

Parents/carers can also view their daughter's behaviour in Go 4 Schools by logging in with the email registered with the school, as they currently do for tracking reports, at: <https://www.go4schools.com/parents/Login.aspx?url=https%3a%2f%2fwww.go4schools.com%2fparents%2fdefault.aspx%3fnla%3d0>

We hope that by allowing the pupils and yourselves to access this information we will continue to improve communication about attainment and behaviour, ensuring all of our pupils achieve their potential and enjoy the journey of school life.

Yours sincerely,

M Jackson
