SENIOR SCIENCE TECHNICIAN

Salary Scale H4 / H5 (£17,255 - £19,960)

Full time or part time, term time plus up to 3 weeks

We are seeking a Senior Science Technician to lead and organise technical support for our busy Science faculty. Reporting to the Head of Science, the successful candidate will be responsible for ensuring resources are managed to enable the effective delivery of the practical component of the science curriculum across all year groups. An understanding of the relevant Health and Safety regulations is important, as is the ability to maintain equipment and manage stock. A full induction and training programme is available.

The Science Faculty has recently benefitted from a £50,000 Wolfson Foundation grant and is therefore equipped with some of the most up to date and exciting equipment for the teaching and learning of Science. We have also recently benefited from a total rebuild on the same site under the Priority Schools Building Programme. We would be delighted to show you around the school.

Bishop's Hatfield Girls' School is an expanding academy trust with 863 pupils currently on roll including the Sixth Form. In February 2016 we successfully completed our sixth OFSTED inspection and were graded OUTSTANDING. We are fully committed to our values of teamwork, respect, honesty, trust, kindness and ambition. Staff development is a high priority.

Hatfield is within easy reach of London and the London Fringe Allowance is payable. The salary shown assumes the job holder is working 37 hours per week for 41 weeks per annum. A recruitment and retention bonus may be payable.

We take safeguarding of our students extremely seriously and an enhanced disclosure will be sought through the Disclosure and Barring Service as part of the school's pre-employment checks.

Please see the job description for more detail.

PLEASE COMPLETE THE BHGS APPLICATION FORM FOR SUPPORT STAFF ON OUR WEBSITE www.bishophatfield.herts.sch.uk. We are unable to accept CVs without a completed application form.

Closing date: Sunday 24th February 2019

Interview date: TBC

Start date: as soon as possible
