

WELWYN & HATFIELD 14-19 CONSORTIUM

Dear Parents/Carers,

29 March 2019

POST 18 EVENING FOR PARENTS/CARERS

We encourage our students to consider carefully the options open to them after Sixth Form, whether that is Further Education, Apprenticeships, the world of work or Higher Education.

For all students there is a comprehensive programme of guidance available through Life-Skills programmes, visits to Universities, conventions, talks, workshops and discussions with Heads of Sixth. It is essential that we prepare students thoroughly so that they can make informed choices about their future

We are very much aware that difficult decisions need to be made, and these are often considered in partnership with parents/carers. It is therefore appropriate that you, as parents/carers, should be fully included in the process. Consequently we have arranged a Post -18 information evening for you. Students are welcome to attend, but it is unlikely they will receive any new information.

The event will take place at **Bishop's Hatfield Girls' School**, on **Tuesday 30th April 2019**, between **6.30pm and 8.00pm**. There is a map on the reverse of this letter to help you find your way to the school. The evening will provide an opportunity to talk to professionals and attend presentations on opportunities ranging from Higher Education and Student Finance, to Apprenticeships.

Please fill in the slip below if you wish to attend.

Yours sincerely,

Mrs E James
Head of Sixth Form

Please return this to Mrs James, Head of Sixth Form by **Tuesday 30th April 2019**
