Bishop's Hatfield Girls' School is an expanding academy trust with 870 pupils currently on roll including the Sixth Form. In February 2016 we successfully completed our sixth OFSTED inspection and were graded OUTSTANDING. We are fully committed to our values of teamwork, respect, honesty, trust, kindness and ambition. Staff development is a high priority.

Visitors frequently tell us that their first impression of the school is of a friendly, lively and stimulating community where we emphasise the importance of the individual's contribution and take pleasure in sharing and celebrating achievement. They commend the good behaviour of the girls and their thirst for knowledge. Bishop's is a community that offers mutual support and encouragement and expects everyone within it to respect others' cultures, religion and beliefs. We hope that the values, self-discipline and sense of personal worth that girls gain here will be a support throughout their lives as British and Global Citizens.

We take safeguarding of our students extremely seriously and an enhanced disclosure will be sought through the Disclosure and Barring Service as part of the school's pre-employment checks.
