Dear Parents/Carers,

Our preparations have begun for Alumna Day 2019, a yearly event organised for Year 10 pupils where Bishop's Alumni community are invited to hold careers and skills-based workshops. This year the day will be held on Thursday 11th July.

Our upcoming Alumna Day will be one of our biggest yet: with this year being the first year that the cohort number is 150 girls, our work has stepped up a gear! Since the first Alumna Day in 2015, we have reached out to over 350 girls, and hope that this will be able to continue for years to come.

The theme for this year's Alumna Day is 'Identity', specifically the question 'What makes me, me?'. Alongside our usual career workshops, we really aim to get the girls thinking about the impact they can make as individuals, identifying the values that resonate with them and what they would like to achieve from their careers.

We are currently looking for ex-pupils to hold workshops during the day. If you yourself as a former pupil or if a former pupil you know is happy to hold a workshop speaking about your/their career journey post-BHGS, please get in touch with us. As we have before, we would ask that you commit to either a morning or afternoon session, with the opportunity to stay for lunch if you wish, as we understand that workshop holders do have other commitments.

In addition, we are looking for organisations to donate items for the goody bags that we give to the girls as part of the day, e.g. notebooks, pencils etc. If this is something that an organisation you belong to would be able to do, again, please do let us know.

Last but not least, we are increasing our social media presence! We would be grateful if you could follow us on the social media accounts below, so we can further spread the word about all things Alumni!
