

Dear Parent/Guardian,

Your son/daughter has shown an interest in taking part in NCS (National Citizen Service) this summer following an assembly we held at their school.

NCS is a government funded youth programme that takes place during the summer holidays and runs for three or four weeks. During this time young people will learn some incredible skills and experience amazing things which will give them a head start into their future.

It costs just £50 to take part! If your child qualifies for free school meals this reduces the cost to £25.

Young person's NCS journey:

- **Be Epic** – Feel the freedom of the outside world for five days away from home, staying at Caythorpe Court, Lincolnshire. Take on adrenaline-fuelled activities like Jacob's ladder, canoeing and archery. Your team will cheer you along every step of the way, sharing in every challenge and every success.
- **Live Life** – Next up, you'll spend five days living at The University of Bedfordshire, gaining crucial life skills from public speaking to basic first aid.
- **Do Good** – Back at home, you and your team will devise a social action project based on an issue that you feel passionate about. You have the skills and confidence to do anything – the more original, the better! This is your chance to feel proud by making a real difference in your community.
- **Celebration** – Celebrate your achievements with your fellow NCS grads and receive your certificate signed by the Prime Minister!
