

COVID-19 – April 2020

Useful information, advice and guidance for young people

This pandemic is changing the way education must be delivered, which means that there is a lot more emphasis on independent learning. However, when this comes to researching and understanding your future, this can be difficult. YC Hertfordshire provide careers guidance in your school and youth worker support both in schools and the community. We have put together the information below to help you start on this journey. We know this will raise questions and your adviser is on hand to support you.

Things you can do that are careers-related

- Complete relevant activities on 'Unifrog'. Update your Activities.
- Try online careers tasks for your age group [here](#) (all students)
- Think about any volunteering you can do at home to help your parents or neighbours. Add this to your careers file, your CV or your school careers software account (all students).
- Think about volunteering you can do in the community [here](#) (Key Stage 5):
- Research the networking tool 'LinkedIn' [here](#) and create an account (Key Stage 5)
- To check our latest local 'jobs seen' lists in Hertfordshire, click [here](#) (Key Stage 4/5)
- Find out more about 'virtual' work experience [here](#) (Key Stage 4/5)
- Monitor opportunities for the Autumn on the links below (Key Stage 4/5)
