Dear Student

EXAMINATION RESULTS SUMMER 2020

As we are approaching the end of the grading/ranking process for the public examinations for Summer 2020, I would like to inform you of the plans for receiving your examination results. Results data are as previously published:

A Level/AS/BTEC Level 3 Results

Thursday 13th August 2020

GCSE/BTEC Level 2 Results

Thursday 20th August 2020

Due to the on-going COVID19 situation and the challenges of social distancing, we will not be asking students to collect their results in person this year. Results will be emailed across to students using your school email address. Following JCQ guidance, results cannot be sent out to students any earlier than 8.00am. We aim to ensure that you receive your results as close to this time as possible.

I know some of you may be concerned that following receipt of your results, that you may need support to solve queries or assistance with your future choices. I would like to reassure you that there will be staff on site, including myself, who will be there to answer telephone queries, or to make a time slot for one to one advice sessions. We will write to you again with further details regarding supporting next steps for Year 11 and Year 13/14.

As the process for awarding grades has been determined by assessment and calculation this year, there will be no post-results services available.

Please ensure that you are able to access your school email address. Should there be any concerns, please do not hesitate to contact me by email exams@bishophatfield.herts.sch.uk.

All of us at Bishop's Hatfield Girls' School continue to be extremely proud of our 2020 examination students and thank you for all your hard work.

Yours sincerely

Ms C Dalziel
