Dear Parents/Carers,

As published in our calendar, the Year 9 Examinations will take place from 4th to 12th January 2021, however the nature of these exams will be different to previous years. Instead of examinations taking place in the Sports Hall, these exams will take place in lessons during the course of this period. This is because Year 13 exams will be taking place in the Sports Hall at the same time, it is important that two year groups are not in close contact to avoid risking integrity of the year group bubbles.

Pupils will receive further information about the exams from their subject teachers. Pupils will have a two-week revision period prior to the Year 9 examinations, starting on Monday 7th December 2020. During this time homework will not be set by teachers to allow adequate time to revise.

These exams are intended to help support pupils with decisions in relation to GCSE's, in addition a Year 9 report is set to be issued in February which will include exam results.

Thank you for your continued support.

Yours Sincerely,

Mr H Pandya
Assistant Headteacher
