Dear Parents/Carers

January 2022

Year 7 Science Trip to the National Space Centre - Leicester Tuesday 26th April 2022

As part of our celebrations to mark British Science Week and extend your daughter's learning beyond the classroom, we are organising a day visit to The National Space Centre on Tuesday 26th April 2022. We shall travel by coach, leaving school at 8:30am and returning at 3.30pm approximately. **Please note that this is half an hour after the end of school.** Your daughter should wear full school uniform and should bring a packed lunch and writing equipment.

There are only a limited number of places available for this trip. Only those pupils for whom we have received parent/carer permission by the deadline of **Friday 11th February** will be considered for a place. If pupil numbers exceed the number of places available then a ballot will be held. Those unsuccessful in the ballot will receive a full refund and be given priority in the next school visit available to them.

The cost of this event will be **£32**. Payment of this amount is voluntary, but the reality is that unless sufficient voluntary contributions are made to cover costs we will be forced to cancel the event for all pupils. Please make payment, via WisePay, by **Friday 11th February**. 50% of the cost of the trip will automatically be met by the school for pupils in receipt of free school meals.

If we do not receive payment by **Friday 11th February**, we will assume that you do not wish your daughter to attend. All pupils not attending will attend lessons as normal on that day.

Payment via wisepay will be considered as parental consent to participate on this trip.

If you have any questions please feel free to contact us. We very much hope your daughter will find the event rewarding.

Yours sincerely,

Mr W Lowrie
