Dear Parents/Carers,

Year 10 CGP English Revision Guides

Your daughter's English Language and Literature course is now well under way and the end of year exams are approaching quickly. As with all subjects, revision is important in order to be fully prepared, especially as the current exam specification only tests through final exams.

It can sometimes be difficult to know where to start regarding revision and also to know the best ways in which to revise. With this in mind, we have considered the available study and revision guides with care and are now able to offer a selection of CGP revision guides that will cover all aspects of both the English Language and English Literature AQA GCSE exams at a discounted rate compared to their cost in high street shops.

The Poetry guide for grades 1-9 is a revision book that includes detailed summaries of each poem as well as exam questions and model answers. The Poetry revision cards focus on the content of each poem in a question and answer style, so these are useful for pupils who like to revise in this way. Pupils do not need to order both.

Macbeth will be studied by groups R, L, D and S only. Groups W and O will study *The Merchant of Venice*.

The available guides are listed below. They will only be purchased for those pupils who we have received payment from, via WisePay, by **6th May 2022**.

These guides will be provided free for all pupils who have free school meals, or for whom the school receives Pupil Premium Funding (further details available on our website).

Pupils will be informed in English lessons when the guides are available for collection.

Yours sincerely

Mrs Broderick
English teacher
