

24th May 2022

Dear parent/carer,

Please note that the Welwyn Garden City & Hatfield Schools Partnership team is here to support your child in their transition to Bishop's Hatfield. You are personally invited to their Zoom session on **Tuesday 14th June from 12:30 – 14:30** where you will be able to ask as many questions as come to mind. Do you have:

- Questions about uniform?
- Questions about equipment?
- Questions about the school day/timetables?
- Questions about behaviour expectations?
- Questions about class charts?
- Questions about Wisepay?
- Questions about SEND/student support?

Remember, no question is a silly question! If you have a transition question you would like answered or would just like a general overview, please book a place on the Transition to Bishop's Hatfield Zoom workshop by following the link/QR code below and selecting the 'Bishop's Hatfield' session.

You can even submit your question in advance by adding it to your booking form.

You must book by June 6th 2022.
