Dear Parents and Carers,

In order to build the partnership between home and school, we would like to invite you to a series of Year 7 Coffee Mornings that we will be running throughout this academic year. We think these will provide a really useful platform to give you a better insight into the workings of Bishop's, allow you to meet other parents and carers and help strengthen the relationship with staff and yourselves. The sessions will be relatively informal, with tea and biscuits available.

We are proposing to run these mornings once a month on a Thursday morning between 8:30am and 9:20am in the hope that this time will allow those that are working, to still be able to come and join us. Throughout the year we will have different focuses for the sessions, including literacy and how to support your child's wellbeing in this important first year of secondary school. It will also give you the chance to meet many different leaders within the school, who will discuss their roles at Bishop's and how their work will benefit your child both now and in the future.

Our first meeting will be on Thursday 20th October. In order for us to gauge an idea of numbers, could you please complete the below google form outlining whether this is something you feel you would like to attend or not.
