3rd October 2022

Dear Parents/Carers

At this stage in the year, we encourage all Year 12 students to start researching their choices for Post 18, including applications for Higher Education.

For some students, the type of courses and experience offered by the Universities of Oxford and Cambridge are an appropriate choice to be considered. Competition for places at Oxford and Cambridge is fierce, and the application process, which differs significantly from that for other universities, often seems daunting. To provide the necessary information and support for potential Oxbridge applicants, we organise, each year, an Information Evening for students in the consortium and their parents.

This year Jack Robinson and an outreach assistant will lead the presentation and talk about both Oxford and Cambridge.

The presentation will be delivered as a remote presentation on **Monday 10<sup>th</sup> October**, starting **at 7pm**. The session cannot be recorded, so will need to be accessed at this time. We will use student's school email addresses so that links to the presentation are sent directly to them.

We very much hope that you will be able to accept this invitation and would be grateful if you or your child can confirm with me, by email, if you would like to be sent a link to this event by Tuesday 4th October. My email address is [ejames@bishophatfield.herts.sch.uk](mailto:ejames@bishophatfield.herts.sch.uk)

Many thanks

Mrs E James  
Head of Sixth Form

*"This is an OUTSTANDING school" - Ofsted 2016*
