Dear Parent/Carer,

I am writing to offer you the chance to purchase GCSE science revision books containing examination-style questions.

If your daughter is in Year 11, you may have purchased this resource last year, in which case there is no need to re-order.

The books are listed below and cost either **£9.45** for all the **three** separate science subjects or **£6.00** for **one** book for Combined Science (Higher/Foundation).

If you or your child are unsure of which book to order please contact your child's Science teachers - **you will need to order only one of the three options below.**

If your child is in receipt of Pupil Premium funding, they will receive the relevant book/s free of charge. You do not need to place an order.

We believe that these practice books are of value and provide a focus for your child's preparation for exams.

If you would like to purchase the books, please use Wisepay to do so. **The deadline for ordering is Friday 13th January.** The order will be placed the first week of the Spring term and we will pass the books on to your daughter as soon as they are delivered.

Yours sincerely

Ms N. Asante-Ansong
Head of Science Faculty
