13th January 2023

Dear Parents/Carers,

We are running a Year 11 Breakfast Study Club every Monday and Thursday from 8:00am in Room 029. The purpose of this club is to create an opportunity for your child to create revision materials, undertake additional exam question practice and redo pieces of work that they feel could be improved. With about 14 weeks until the start of the GCSEs, coming to both sessions in a week means that an additional 14 hours of revision would have been completed.

All your child needs to do is arrive in Room 029 at 8am with a piece of work from any of the subjects they study. They will be offered some toast free of charge, which they can enjoy whilst they undertake their work. Anything revision based, including exam papers, additional questions and practice materials or revision pages and activities, can be brought along. The intention is that they will focus on the areas of subjects they feel need additional attention, in a supportive and quietly focused environment. These breakfast sessions will be supervised by a member of staff.

We would greatly appreciate it if you could discuss this with your child and encourage them to attend.

Yours sincerely

Mrs V Langston
Assistant Headteacher

"This is an OUTSTANDING school" - Ofsted 2016
