4th January 2023

Dear Parents/Carers,

The Year 9 Examinations will take place from 16th to the 18th January 2023. The attached information is aimed at supporting your child with the revision and preparations.

The exam timetable is also attached, and pupils will receive a hard copy of this information. Pupils will have a revision period prior to the Year 9 examinations, in which they will complete some class activities to help them prepare. During this time homework set by teachers will relate to revision tasks.

These exams are intended to provide us as a school with useful progress information and also allows the pupils to become familiar with examination procedures. We have always found that pupils feel far more comfortable about taking their GCSEs at the end of Year 11 having had several opportunities to experience sitting exams in a formal environment in previous years. Please note that Maths and Science exams are not taking place during this examination session as it has been decided that these would be better placed in the Summer Term, once more GCSE content has been covered in lessons.

Thank you for your continued support.

Yours sincerely,

Mrs Langston
Assistant Headteacher

"This is an OUTSTANDING school" - Ofsted 2016
