21<sup>st</sup> February 2023

Dear Parents / Carers,

It was fantastic to see the year 11 pupils having such fun together at the Bishop's Warrior event. They really threw themselves into the challenges and approached each obstacle with determination and enthusiasm. Now half term has passed it is time to turn our attention to revision schedules, so that together we support them to secure success in their exams.

As we are in the final approach to the exams now, I know that pupils are thinking about which areas they need to target to make improvements between their Mocks and the exams in May. With this in mind teachers have put together a schedule of revision sessions for a wide variety of subjects. Please find this attached. Pupils will be given a paper copy, and it will also be displayed in form rooms.

Most subject areas will publish a programme for their sessions, which will enable pupils to prioritise which sessions within a subject area to attend. Please encourage your child to attend some sessions each week - boosters can make a huge difference to many aspects of exam preparation, especially in terms of skill development.

I would also like to take this opportunity to remind you that we run a breakfast club for Year 11 pupils in Room 029 on Monday and Thursday mornings from 8am. This is space for quiet revision.

I will be running a reminder session on planning a revision timetable. This has been taught in lifeskills lessons, and it is really important that a planned and structured individual revision programme is being followed. If this is an area your child would like support with please ask them to attend on Monday 27<sup>th</sup> February at 8.00am in 029 or come to see me in school.

Yours sincerely

Mrs Langston  
**Assistant Headteacher**
