March 2023

Dear Parent/Carer,

To help our students with their study of Health and Social Care, I have arranged for the classes to attend the "Future Heroes Health and Social Care Careers Expo" which will take place at the Fielder Centre, Hatfield Avenue, Hatfield on Tuesday 28th March 2023. The event will provide pupils with a rare chance to discover careers in the health and social care sectors through interactive, inspirational activities and demonstrations, and help them to visually bridge the gap between what they enjoy doing and what they could potentially do as a career. The event is free. Students will be driven to and from the venue by minibus and will be back in school for lunch.

This event is a unique opportunity for students to: try their hand at different career disciplines, talk to leading staff working in those areas in Hertfordshire, hear about what working life is like, sign up to work experience in different disciplines to make that all-important difference on application forms and they will hear about the different educational routes into the professions and get tips on how to make their application a success.

If you do not give your permission for your child to attend, please email me at trredpath@bishophatfield.herts.sch.uk. If I do not hear from you I will assume you are happy for your child to attend.

Kind regards,

Mrs T Redpath
