Dear Parents/Carers

Apprenticeship Survey

Our school is a member of the Hertfordshire Careers Hub and one of their key strategic objectives is to help promote Apprenticeships and Technical and Vocational routes. This is now the fifth year that this survey has been commissioned and we would be very grateful if you could complete this short digital survey to share your thoughts based on your eldest school-aged child.

As one of the key influencers in a young person's decision-making journey, it is important that we can help you to feel confident in helping and supporting your child to explore the many options that are available beyond school.

By completing this survey, you are contributing towards the development of the Hertfordshire Apprenticeships Strategy, helping to secure funding to better support your child's school and providing important insights to be used both at an individual school and county-wide level. If you would like more information, please visit the HOP website.

This survey is being conducted by Amazing Apprenticeships on behalf of Hertfordshire LEP and Hertfordshire Careers Hub. All responses will be kept confidential, and your details or individual responses will not be shared with any other parties. We would like to ask for your help in completing this short survey, so we can better understand the views and support needs of parents and carers regarding apprenticeships and technical education for your child.

Please find the survey link to complete below:

Please contact me directly if you have any questions about apprenticeships. I am contactable on: jhiggins@bishophatfield.herts.sch.uk

Yours sincerely
