Wednesday 24th May

Dear Parents/Carers,

I would like to make you aware of some free online parents and professionals awareness sessions, taking place on the evening of the 7th June.

Attendees will hear from key speakers on the following topics:

- Mental health and support for young people - Herts Mind Network 5-6pm
- Drug & Alcohol Awareness - Amy Winehouse Foundation, 6-7pm

The event will be split into two sessions and you will be able to tune into all sessions, or just the one that you have an interest in. My understanding is that the guest speakers who will be leading the sessions come from experienced backgrounds in their fields and will be able to offer first-hand knowledge, advice and support for these issues to help you 'spot the signs' in your children.

The event is free of charge and will be hosted on Microsoft Teams. Once booked on to the event you will be sent a link to the event 48 hours in advance and the link will allow you to join the event at any point. To book a space, please visit:

Yours sincerely,
