Dear Parent / Carer,

BHGS Alumni Association is going digital!

We are delighted to inform you that Bishop Hatfield Girls' School is working with the education charity Future First to build a thriving alumni community, inspire and support our students. Amongst our former students is a whole host of talented role models whom we want to hear about in order to celebrate their success, inspire our current pupils and help them connect with each other. Alumni can be brought back to share career and further education advice, mentor students, create a rich network of work-related experience placements, job opportunities, social engagement and much more.

We need you

Please help us reach out to our former students using your own networks. From lawyers to dancers, scientists to artists, accountants to health care workers, we need alumni from a range of careers to open our students' eyes to what is possible.

If you are a former student yourself or know of any who would like to stay in touch with the school and/or your/their former classmates, please ask them to sign up at:

Thank you
