## University Taster Day

Thursday 8<sup>th</sup> June 2023

Dear Students and Parents/Carers,

As part of a programme of advice and guidance for students, we organise a trip to the University of Hertfordshire for all Year 12 students, to consider preparation for university. We encourage our students to explore all options at this stage in their post-16 education. The Taster Day is taking place across both campuses, starting at College Lane campus, with shuttle buses to transport students between the two.

There will be a wide variety of engaging taster lectures and workshops that will give you an immersive experience of university programmes and an insight into university life. There will be university staff available to chat on a 1-1 basis along with information stands providing support and guidance with things such as student finance and admissions processes. There will also be tours of the campus guided by our current students or the option for students to take a self-guided tour.

There is no cost for this visit. The students will be required to register at the College Lane Campus by the Forum at 8:40am and the Taster Day ends at approximately 2:00pm.

Throughout the event students will have the opportunity to speak to ambassadors from the university and will find out information about student life. There will also be presentations running throughout the day along with a taster lecture of the students' choice. All students will need to register for their sample lecture. This event runs over lunch so a packed lunch will be needed. Full attendance at this event is an expectation, as it is part of our formal Life Skills programme.

We very much hope your child will find the event rewarding. If you are unsure about any of the above arrangements, please contact me on [ejames@bishophatfield.herts.sch.uk](mailto:ejames@bishophatfield.herts.sch.uk)

In anticipation of a useful, informative and enjoyable day,

Yours sincerely,

Mrs E James  
Head of Sixth Form

*"Pupils flourish and support each other to succeed"*
