## Year 12 Examinations

19 May 2023

Dear Parents/Carers,

The June examinations for Year 12 will start Wednesday 21st June and will finish on Tuesday 27th June 2023. If a student studies Art or Photography, these exams will take place on Monday 19th and Tuesday 20th June. Please be aware that in Year 12 students will be sitting exams at the site where they are taught.

Study leave will be in place from Tuesday 20th June through to Tuesday 27th inclusive, and students should only attend school for their examinations. Teachers will be available during lesson time if students need to speak to them.

School examinations are important practice for the A level and BTEC examinations next year and are part of the assessment portfolio used to calculate UCAS grades. It is essential that students have full attendance. Please note that some exams will finish after 3:00pm.

Please note that students will not be allowed to take phones into the examination room and no watches of any type can be worn. Phones must be turned off and handed in to the invigilator before entry to the exam room. Water bottles and pencil cases must be clear, and other items such as glasses cases, tissues, lip balm and so on are not allowed. All regulations must be strictly followed so I ask that you read them carefully.

I enclose an examination timetable so that you are aware of when examinations are taking place. A copy of the examination regulations is also enclosed for your information.

Any examination queries should be addressed to myself or Ms Cameron, our Exams Officer.

Yours sincerely,

Mrs V Langston  
Assistant Headteacher

*"Pupils flourish and support each other to succeed"*
