## **FOLDER/PORTFOLIO REQUIREMENTS (see Appendix E)**

Below is a list of the minimum expected items that should be in evidence in any sixth form student's subject folder/exercise book/portfolio. Some subjects may wish to add further items to suit the specific needs of their subject. For subjects that do not use a folder or exercise book it will be necessary to create an additional 'handbook' to ensure students have all the requirements below:

1. **Subject specification/learning journey** – clearly accessible.
2. **Assessment Record Form/Grid** – Standard format provided for all subjects where students can track their graded assessments against targets. This will include target grades, mock results and a place for exam dates once they become known.
3. **Clear organisation of work** (dividers for folders or different exercise books for different modules for example).
4. **Assessed work** that is quickly and easily accessed with feedback from teachers (www and ebi).
5. **Written work** that is dated every lesson.
6. **Glossary of key terms** for any literacy based subject.
7. **A useful reading and key websites** list for any relevant subject.
8. **Evidence of folder checks** by form tutors and the sixth form pastoral team PLUS any checks carried out by departments as part of their own planning.

As a Sixth Form student, you are expected to be undertaking appropriate independent work conducted outside of class hours. This can be anything relevant to your subject from news articles, completed past papers, notes from a play, annotated poems, annotated examiner's reports or additional source material on a historical context for example. This can be added to your folder in addition to the above requirements.

## APPENDIX B

### Progression to Year 13 (2023-2024)

Progression to Year 13 is not automatic and students will need to have demonstrated their commitment to a further year of study through a variety of criteria. The main criterion for progression within a subject area will be achievement.

It is expected that a student wishing to continue into Year 13 will meet the following criteria:

Criteria	Measures
<b>Advanced Level Achievement</b>	It is important for all students to be on the correct courses that can give them the best possible outcomes. Students starting Advanced Level/BTEC subjects in September 2023 are expected to achieve at least a D grade in two subjects to progress to their second year. These grades will be determined through internally set end of Year 12 exams. If this standard is not met there will be a review of, and possible amendment to, that student's course provision. As part of the review, the student's attitude to work and their attendance will be considered. Any changes made to course provision will be in the best interests of the student's potential achievement; full support will be given should there be a need for a change of course or institution.
<b>BTEC Achievement</b>	Average a merit grade in coursework modules, complete all modules set and pass the external examination at the end of Year 12.
<b>Attendance</b>	Under normal circumstances an attendance figure of at least 95% would be expected of any student wishing to progress to Year 13.
<b>Punctuality</b>	Less than 5% late
<b>Coursework/ homework</b>	A record of meeting required deadlines.
<b>Attitude</b>	Commitment towards their studies and an attitude that contributes towards a positive learning environment, showing respect for Staff, students and the wider community.

In exceptional circumstances and in liaison with the subject teacher, schools may recommend a student to progress who has not met the criteria. Each case will be treated individually by the School.

## **APPENDIX D – Post 16 Safeguarding**

Safeguarding you as a Post 16 student is very important to us. You have more freedom than your younger peers, and with that comes additional responsibility.

### Identification

- You will be issued with an ID badge. It is compulsory for you to wear these at all times, and at all consortium schools. Students without appropriate identification could be turned away from the relevant school if recognisable identification cannot be produced.

### Registration

- It is your responsibility to ensure that you register using the appropriate system for each school. This also serves as the fire register, so it is imperative that records are accurate.
- Attendance to your classes is also monitored by the class teacher.
- Fire procedures are displayed in all consortium post 16 study areas. Please make yourselves aware of these on the first visit to each school.

### Movement around the consortium

- You will make your own way to and from schools at the start and end of the day.
- At lunchtime, you can make your own way to offsite lessons, or use the free consortium bus.
- The consortium bus, like all public transport, is subject to the health and safety guidelines of the relevant transport company.

(If you make your own way to offsite lessons, then you do so under the responsibility of your parents, as you do when journeying to and from school in the normal school day).

Schools operate a transparent system of shared safeguarding checking for staff across all consortium schools).

- If you have any concerns of a safeguarding nature linked to offsite schools you should speak to the school's Head of Sixth Form in the first instance, (their office is signposted in their post 16 study area), or to your Head of Sixth Form asap.
- The most up to date designated safeguarding lead for all consortium schools can be found on the front page of the individual school's website.

### Life skills

- It is important to us that you receive an appropriate diet of pastoral support within our post 16 offer.
- These sessions will include guest speakers, which cover a wide range of issues including the promotion of support to avoid safeguarding issues, and to raise awareness, for our young people.
- For example, awareness of FGM, radicalisation, e-safety, mental health support systems, LGBT information, homelessness and various health and sexual health information sessions.

If you have any questions or safeguarding concerns please contact your Head of Sixth Form. If you are offsite, please contact the following:
