## Bishop's Hatfield Sixth Form Information Evening

Dear Parent/Carer,

I am writing to invite you and your child to our Bishop's Sixth Form Information Evening on **Thursday 9th November at 6.30pm**

The evening will commence with a presentation in the School Hall at 6.30pm for early attendees. A second talk will take place at approximately 7.10pm. During this presentation we will be outlining the options available to your child in the Sixth Form at Bishop's including how to make choices, the range of subjects, entry requirements, expectations, pastoral support and Consortium arrangements.

In addition to the talk you will be able to visit the subjects and discuss courses on offer with subject staff to gain more insight into the specification content and assessment structure. The evening will end at 8.00pm.

Your child will also be able to meet current students to find out more about Sixth Form Life and the enrichment opportunities that are available such as the Extended Project Qualification, leadership roles, community volunteering and preparation for university.

Bishop's Sixth Form operates as part of a Consortium of five schools in Hatfield and Welwyn Garden City. The information for any subjects not covered during this evening will be available on the consortium website.

Please reply via the link below by Thursday 2nd November to confirm you will be attending on 9th November and the number of seats you will require for the talk.
