Friday 5th January

Dear Parents / Carers,

On **Wednesday 28th February 2024** your child will be receiving an educational talk about gender inequality and gender based violence.

The talk will be delivered by **Bold Voices**, an organisation that delivers education and awareness on gender inequality and gender based violence to schools, universities and companies across the UK. Bold Voices aim to promote gender equality and are passionate to create educational environments free from gender based violence for young people.

The talks will include themes of gender stereotypes, gendered attitudes, types of abuse and revenge porn.

Though the talks are age appropriate it is important to reach out to you to let you know the themes that will be discussed in case they may trigger emotion in your child. If you believe that this talk may trigger your child we recommend that you get in touch with your child's Head of Year who will be able to discuss further with you.

These talks have been made possible from funding from Hertfordshire Police and Crime Commissioner and your local Community Safety Partnership.

If you have any questions regarding the talks, please feel free to contact your child's head of year or the Community Safety Partnership at feelsafe@welhat.gov.uk

Kind regards,

Mrs M Jackson

Assistant Headteacher
