Year 9 Parents' Consultation Evening

Dear Parents/Carers,

You are warmly invited to come into school on **Thursday 7th March 2024** to discuss your child's progress with teachers (4.30 pm - 7.30 pm). We are looking forward to welcoming you into school.

This is a really important occasion as it allows parents/carers, teachers and pupils to come together to discuss the best way to tackle the challenges of Year 9 in each subject. We see the Consultation Evening as an important part of helping pupils to achieve their potential, and the conversations at Consultation Evening are really valuable in helping pupils identify their next steps in making progress in each subject.

Your child will be given an appointment card, to be completed at school with the help of the teachers, on which to book times. Appointments will be for 5 minutes' duration with each subject teacher (times on the appointment sheet are set 10 minutes apart for administrative purposes). It may not be possible for some teachers to see the parents of every pupil they teach, as they may well teach more than one class in the year group. Please discuss your child's lessons and, if necessary, prioritise which teachers should be seen.

If you are unable to see a particular teacher on Parents' Evening, and you feel that there is an area you would like to discuss, then please email the school and we will endeavour to make other arrangements for this to take place.

We would recommend that pupils be present at this Parents' Evening, as we feel it would be most beneficial when discussing the start they have made this academic year and areas they need to focus on. They do not need to wear school uniform.
