24th May 2024

Dear Parents / Carers,

I am writing to let you know about the arrangements for the year 12 exams.

These will take place from Monday 17th to Tuesday 25th June. Pupils have already received their personalised exam timetable, which indicates the location and time of each exam.

Study leave will take place for those students taking A level exams, from 17th June. Those studying BTEC/CTEC courses should continue to attend those lessons. All exams will be sat at the site at which the subject is taught - students must look carefully at their timetable to be sure they know where they need to be and at what time.

As ever, exams will be run according to the JCQ regulations which you can find in the JCQ Information for Candidates on our website at <https://bishophatfield.herts.sch.uk/examinations/>
It is important that students bring a clear water bottle without a label, a clear pencil case that includes the equipment for their specific subjects and they must not wear a watch of any kind. No other material can be brought into the exam room, and a secure store for phones will be available. Students should be at the exam room at least fifteen minutes before the start of the exam.

Results will be published in July. Students who receive a U grade will need to resit their exams. Other students may need to resit in order to meet the criteria to progress to Year 13, which is two D grades or equivalent. The resits will take place on the 3rd and 4th of September 2024 under formal exam conditions and all resits will be at Bishop's.

Yours sincerely,

Mrs V Langston
Assistant Headteacher - Assessment and Pupil Progress
