Research Tasks

Research different careers within health and social care. Produce a set of notes that includes the roles and responsibilities of these careers.

[Step into the NHS](#)

Creativity Tasks

Produce a health promotion campaign that you could deliver in school. You can choose a specific health topic and then produce materials. E.g. presentation, leaflets, handouts and videos

Writing Tasks

Write a letter to the local NHS Trust regarding your experiences at various nhs services. This can be related to primary care to tertiary care. It can include both positives and negatives. You may even want to make suggestions for improvements in your letter.
